

# A Germ's Journey

Dirty Hands! Clean Hands!

1

You can't see germs but they are there

2

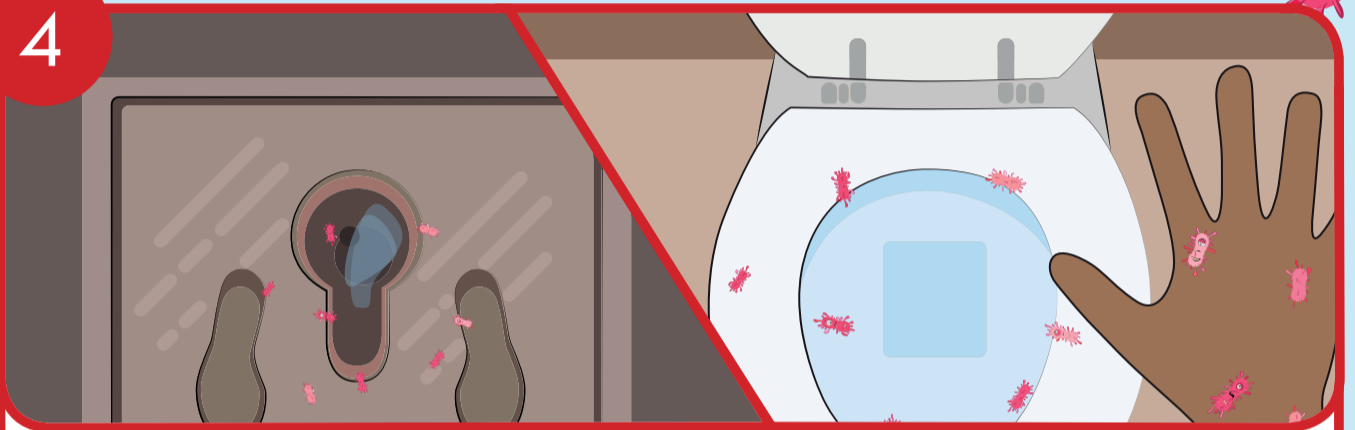

Now the germs are in your mouth and tummy

3

Germs make you sick

4

You can't see germs but they are there

5

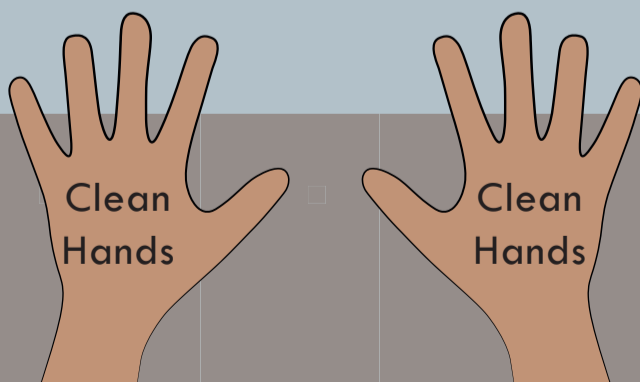

When you go to the toilet always wash your hands

6

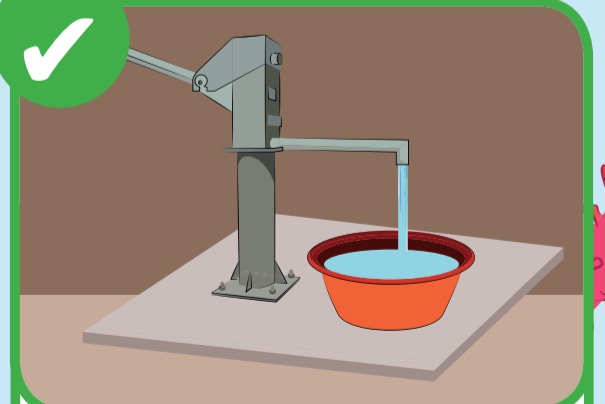

Bye Bye Germs

7

When you go to the toilet always wash your hands

Always use water from a clean source, like a water pump
